

Uniacke Baptist News

This is the first edition of the Uniacke Baptist Church newsletter. We've lost touch with some of you over the years, and we'd like to reconnect with you. We would also like to keep you informed of things in your church.

Awesome Dinner Theatre

Throughout the winter and into the spring, many in our church were involved in a dinner theater production under the able direction of Shilo Pearle. The play was a comic murder mystery called "King Arthur's Gold". We had never attempted such an event before and it exceeded our wildest dreams. A beautiful meal was served by our kitchen team under the direction of Bertha Comeau and

Linda Coleman. The cast performed admirably under Shilo's direction and were warmly received by the Uniacke community. The event raised almost three thousand dollars toward the Audio Visual Project.

New Sound & Audio System Installed

The Sound System has been completed thanks to the tireless efforts of Bob and Pat Curtis. It has really enhanced our worship services and gospel music concerts. A plaque has been installed on the sound booth in their honor.

The funds generated by the dinner theatre event enabled us to bring our audio visual project to completion. We have now installed the projector, computer to run it, all necessary cables and big screen. It is in use every Sunday. It has increased our options in worship and for outreach as well. Our young people are taking

an interest in it and are in the sound booth most Sundays operating it. We are so grateful to the Lord to have been able to complete this project much sooner than expected.

Amazing Bible School

During the summer months, we did not go into “summer slump.” We held a Bible School and partnered with the Bedford Baptist mission team. It was certainly a high energy experience with 65 children in attendance. Not for tender ears!

I believe the mission team was blessed as much as the youth, children and workers were. We were able to make a substantial contribution to the Bedford Baptist Church Mission Team’s mission trip to the inner city streets of New York City.

“We raised close to three thousand dollars!”

Outstanding Fun Fair & Yard Sale

In the fall, we held our first ever on-site Fun Fair/Yard Sale event for Wishgivers. Our young people helped man the fun fair. Many articles were on sale at great prices. At the end of

the day, we raised close to three thousand dollars for Wishgivers! It will be my privilege to present the cheque at the Wishgiver Auction on November 26th.

Thirty first Anniversary

31 years!

This year, Uniacke Baptist Church celebrated its 31st Anniversary on November 20. Dr. Lionel Moriah, Professor of Preaching and Worship at Acadia Divinity College was our special speaker.

Elizabeth Phillips, our former student pastor, also participated. Special music was supplied by Gordon and Nancy Flynn.

We also ‘officially’ welcomed Evan Martin back from Afghanistan, during the celebration. He returned home in the summer, but has been working many Sundays or away on travel.

Wedding Bells

.I was privileged to officiate at the wedding of Jaklynn Peck and Jean Brunet in May. The couple have moved to Amherst to follow careers. Jaklynn is a nurse and Jean works in business.

My nephew Aaron Parsons got married this fall. He and his wife Amy now attend Faith Baptist Church in Sackville as it is just around the corner from where they live.

Christine Perry and Chris Pottie also had a lovely fall wedding. Many friends from Uniacke Baptist attended the ceremony at Bedford Baptist.

Birthday Bash

Nina MacDonnell celebrated her ninetieth birthday on October 18. She was so pleased to see so many people attend the celebrations at her home and at the Legion.

Baptism and new members

We've also had a baptism service. Marjorie Atkins was baptized. She is a young woman with real leadership potential.

We also welcomed her mother Wendy as a church member.

B. Community Carol Sing service in our church December 18, 7pm.

C. Christmas Eve service, 7pm.
D. Christmas Day Carol Service, 11am

Prayer Requests...

I'd like to let you know that Beverley Parker is battling brain cancer. She appreciates all prayer for a healing miracle and looks to God for His healing. She encourages each of us to see God's every day miracles operating in our lives right

now. It is very important to her that, as we pray for her healing, we at the same time be praising God for His every day miracles coming to us in many ways

Al Coleman is in the NS Rehab Centre after suffering a stroke. He is expected to be there until January. He is making progress with his therapy and is in good spirits. Please pray for the continued effectiveness of his therapy.

We would love to hear from you. We want to stay connected with you. Drop us a line. Let us know how you are doing. Or better yet, drop by and see us. We would love to see you again. We will gladly pray over any requests you send us as well. We would love to see you again.

All the best, Alan Orser
